

**NPS KORAMANGALA**  
**IRIS 2018**  
**Ms. Diagnosis**  
(Biology Event)

List of diseases on which questions can be asked-

1. Wegener's granulomatosis
2. Sarcoma
3. Tuberculosis
4. Lupus
5. Sarcoidosis
6. Cauda equina syndrome
7. Celiac disease
8. Crohn's diseases
9. Lymes disease
10. Guillain Barre Syndrome
11. Malaria
12. Ulcerative colitis
13. Actinomycosis
14. Alzheimer's disease
15. Pneumonia

Guidelines: Read about the diseases in brief and refer to relevant scans (x rays, endoscopic pictures, etc). The written test will be based on these diseases and general biology.
