Dear Parents,

Subject: Distribution of books

A year gone by with all its uncertainties and trepidations and we have coped admirably well. So here's looking forward to a brighter and a healthier year 21-22.

We will be distributing the Text books and Note Books for the Academic Year 2021-22 to students of Grades 1 to Grade 9, at National Public School, Koramangala as per the attached schedule.

We would like to place safety of each and every one at the highest level of priority during book distribution. Hence, it is mandatory to follow the guidelines given below:

- The exact amount for the books must be put in a sealed envelope. Please mention on the envelope the following:
  - **Name of the child**
  - Class & section**
  - Amount**
  - Mobile number**
  - Language-French/Sanskrit (For Grade 6,7 and 8 students)**
- Only one parent will be allowed to collect the books for their ward. Students must not be brought along.
- **Strictly adhere to the timings mentioned in the schedule.**
- If your ward has a sibling in any other class you can request the teacher in charge for his/her books also.
- Use a face mask mandatorily and strictly maintain social distance as per the norms.
- Please depart from the premises as soon books are collected.

We are looking forward to your support in making this process a safe and seamless one.

Thank you for your co-operation, as always.

Warm regards,

**Grades 9 and 10**

Dear parents,

We trust all of you are safe and healthy.

We are set to commence Periodic Test 1 (PT1) of Grades 9 and 10 on Monday, 26<sup>th</sup> July 2021. The timings of the Test are:

- 1.30 pm-Login time
- 1.35pm-Writing time starts
- 2.45 pm-End of writing time
- 2.45 to 3.00 pm-Upload time

Please note that the Grades 9 and 10 students are exempted from the morning PE sessions on the days of the examination from 26<sup>th</sup> July to 30<sup>th</sup> July 2021.

Do ensure that your ward is prepared with sufficient ruled papers and other stationery items to write the exams.

Since the situation is unpredictable, students might write only the last set of exams in school. If a student has been using unfair means – either by browsing for answers as the exam is on or covertly referring to textbook or notes, it will be extremely difficult, if not impossible, to make up for the lost time and study all the content at the end.

To ensure that students do not yield to temptation and indulge in unfair means, we request you to oversee your ward writing the exam. A parent or grandparent may be seated about 3 feet behind the student. Do be watchful that only the question paper is visible on the screen and no subject-related content is close at hand.

We are in this together – teachers and parents and with mutual support, we can ensure the best for our children.

Thank you for your support.
