My memorable holidays

Once upon a time when I was very small, I think I was about in L.K.G or U.K.G that time I had four days holiday for Diwali. I was so happy that I at least had more than two days. So that day mam made us enjoy and did not give us any Homework and that more exciting and more and more she made play lot of fun games.

While we had dispersed, I had a surprise that my mom and my dad both came to pick me up and then when I told my teacher and ran towards my mom and dad, then I saw someone hiding behind them and when I saw my aunt and uncle appearing there, I was so excited to stay with them when we were on our way back home, I asked my mom and my dad why did all of you people come to pick me up? They said that we will tell me that later now listen to me, my mom said "you have to go home and quickly wear the dress I have kept on the bed and then open the suitcase I have kept it near the bed and then put the suitcase". I thought maybe we are going to our hometown so mom is telling and did the following things after reached home.

Then we all went to the bus stand and the next morning when we all woke up, I looked out of the window and asked my mom that "Mom this is not our hometown, where are we?" My mom said "We are in Mangalore it was a surprise for you, it is a trip" I said "thanks mom"

One day in Mangalore, in our lodge we were relaxing and we thought of going to the waterfalls we then day by day totally to three waterfalls. One day without brushing our teeth we went to the park. Me and my father where away from my mom, aunt and uncle We were looking for them for a while searching them I noticed that my shadow was very long and told my father to take a picture, then finally we found them and enjoyed in the park after playing we were very hungry, However we had our brushes with us and found a tap we brushed our teeth and went to a restaurant and ate YUMMY food.

The next day we went to a beach and I found many seashells, my mom told that for some time you play with your aunt and uncle I will rest and then I to show my mom the seashells in the way a horse was running across and my mom saw that and was terrified I quickly ran and fell in a dug hole, it was a hole my mom had dug it for time pass. Then we had to come back home. I said to my heart that I will miss this beach and this beautiful place. The next day we came back .
