Chapter 1 - TRIP TO THE HILLS

Once in a humongous city ,lived 5 friends. Charlie, John, Oliver, James and Sophia. A few years later all the 5 friends planned to go to the hills for a picnic. They walked for almost half a day continuously . They were exhausted , So they took some rest . As they sat they saw there were green leaves and bright coloured flowers in the trees and bushes beside them. The nice fragrance coming from the trees and bushes . .It was such a nice experience....

Chapter 2 - MAP TROUBLE

Then they started the journey again. But then on the way they realized that they were on the another track and had lost the way to the picnic spot. They were in shock. Now they had to think what to do. Suddenly Charlie said " I have a map! " , John said " Ok then let's follow the map. At every five minutes they discovered a new tropic animal

. . .

Chapter 3 - THE JOURNEY TO THE SPOOKY CASTLE

After walking through the large jungle the group was extremely tired so they decided to have a water break. After the water break they continued the journey. With a lot of courage. They found three coloured paths red , yellow and blue. The group followed the yellow path but they did not know that the yellow path led to the lost castle. They crossed many traps like the needle trap and the throw away trap but with lot of effort they reached the castle. The castle was black in colour and it looked very haunted. The children opened the castle gates. It made

was also a very strange painting in the room. It was the scariest place they had ever seen! When they entered the second room it was a toy room . They were scared to go in because there was a rocking and rolling toy and there was a tiny bit of sunlight. When we entered the third room it was a tiny room for visitors with flower pots pictures , sofa's, tv and many more things.

Chapter 5 - THE TERRACE

When they reached the terrace there was a large body who was a ghost! when they saw him everyone screamed and ran downstairs with hot heels the ghost was also following them . They ran down and straight out of the castle in a rush . No wonder! Where they were running. They ran as fast as they could and ended up on a hill the scene was

spectacular. No wonder they thought that it was the best picnic they ever had.

A dark, atmospheric illustration of a castle with multiple towers and spires, set against a stormy night sky with a bright lightning bolt. The castle is surrounded by gnarled, leafless trees. The scene is dimly lit, with some light emanating from the castle's windows.

5 adventurous children went but they lost their way. So when they reached the spooky castle what do you think what would they do? Will they be able to come out of the castle? will they get to their picnic spot?
