One fine day , when they were practising and their pets were watching them as usual, there was a portal (magical door to another world) formed by an amulet, Ray ,Mariah and their pets did not know that ,in no time at all they got sucked up in the portal !!! They landed somewhere and there was a temple there . They went there but got no clue . realised that their pets were missing ,however they learnt that their pets were inside their beyblades and they were called Bit -beasts . They realised that they have landed in a different world.Soon after that, they saw that there got to know about Beyblade tournament in Japan . They wanted to participate, they also thought that they may not be allowed to take part as they did not belong to that world . But when they asked they organisers they said ... Yes !!

YAAAAAAAAAAAAAY ! Soon the next morning they got up early and practised all day long .Then on the next day they again got up early , went to seaside dome where the tournament was going to be held . Ray and Mariah went to semi finals ! Next day, Ray was to play against a boy named Kai . Mariah was going to compete against a boy named Kevin . Mariah and Ray again won ! In the finals Ray and Mariah had to compete . Ray won !!! After the match they met a group named bladebreakers ,they included Tyson , Max , Kenny . Bit -beasts for Tyson,Max and Kenny,were Dragoon ,Draciel and Dizzi ! Ray and Mariah thought it would be nice to join them . After some time they became good friends . They also saw that there was another championship in USA ! All of them took part in it . .They had gone to the semi- finals again ! In the semi finals they had to compete against the Bey sharks . There were three rounds . 1<sup>st</sup> round .“ Hey that is the guy I met in the last championship! “ Ray said . Soon the bladebreakers sent Tyson and Bey sharks Carlos . “Be careful Tyson bey sharks have never ever been defeated .” “Uh -uh -uh ! We are also undefeated so we also may win ! Don't be a worrywrat “Dizzi said

The game begun .

After a while Tyson went invisible ! Carlos said “ Hey ! turn visible so I can catch you ! And are you scared of me ? ” Tyson said “ I am not scared of you and I know that you still cannot catch me if I turn visible “ “ Turn visible so I can prove you wrong “ Carlos

said “ Ok “ said Tyson . But Carlos still could not see him! “As I had thought “Tyson said . After a while , Tyson won ! Carlos was awe struck . He had never been defeated ! “Winner -Tyson !” Jazzman, the announcer, said .

Soon round 2 begun . The beysharks sent someone named Andrew while blade breakers sent Max . Andrew was defeated but only by their leader Kai . He was also a lot like Kai . He never really spoke

except he spoke when it was really needed .”Be careful “ warned Kenny . “Don’t you ever believe your teammates will do good ? “ “I....I do “ Kenny stammered . “Come on guys lets stop fighting and put our minds into the game or we might as well throw in the towel .” Ray said . Max said “ He is right guys anyway I have to go wish me luck ! “ . The match begun . Max started to loose hope . And with that he started to loose too ! Max ! The most happiest boy you would ever meet ! “Don’t let Andrew play with your hope ! That is the way he wins ! Stay happy and atleast try to win and DO NOT LOOSE HOPE ! “ ‘Maybe that is true I just have to be happy like always ! ‘ After a while he won ! “One the ball Max ! “ Bladebreakers cheered .

Now it was round 3 and the last round . Bey sharks sent the team leader Kai and bladebreakers ? They sent Ray . The battle begun . Kai kept attacking with his bit beast Dranzer (a phoenix )and Ray was defending and soon he wanted to end the match so when Kai did his attacks Ray used it against him with his Tiger claw attack ! But both the beyblades flew up and did both of them or one of them survive ? No . So ? There had to be a tie breaker round .

Bladebreakers sent Mariah and Bey sharks sent Kai again . This time the bey stadium was a replica of the forbidden city .The match begun . When kai tried to attack Mariah , Mariah escaped from him . But soon she got fed up and did her Scratch attack which broke Kai’s Beyblade from the middle.Yes! Bladebreakers won ! Mariah really could not believe herself ! Kai was out of the blue. He was silent so he did not say anything .

After this championship , they heard that there would be another championship in USA after 3 weeks . At the drop of a hat they enrolled themselves . They had gone to USA , and went to a research center to learn more about Beyblade techniques and then would go to the school where Max's mom taught . But when they reached the research center they found Max's mom ! When max asked why he did not get an answer . When the research center asked for a match they were just testing them because they were enrolling for the USA tournament and wanted to know their weaknesses and strengths .

The match had started ,Bladebreakers sent Tyson and the research center sent Mikey a boy with a mike as a shooter . (The research center had put their talents as their shooters as well as bit beasts ) Everybody in bladebreakers was surprised . At the end Tyson defeated Mikey .

In round 2 they sent a girl named Monika . She was good in art . So her shooter was a painting pallet .Bladebreakers sent Ray . When they both were competing Monika filled the whole stadium with paint . But Ray knew better tricks and could defeat her ,so he won .

But in round 3 It was girls round . Mariah and a girl named Emily would have to compete . True determination wins . You might have guessed this one . Mariah had determination . So ? She won !!

Two weeks 6 days passed by

That day (1 day before the championship 2 ) Kenny was up early and doing his thing (improvising the beyblades ) . And the sound was like – Klankity klankity Klank . So Mariah woke up with that noise . When she came to say Hello and Good morning Kenny jumped up with fright and screamed ! Ray definetly woke up . What max and Tyson ? Max – It was really cold and he put ear muffs . Tyson – Does not

wake up to noise but to touch . After that they all started practising for the tournament . Then it was time for the tournament . “ All the best guys . Hope we win 😊 😊” Mariah said .Team bladebreakers won round 1 . In the semi finals round 1,Bladebreakers sent Ray and the other side a boy who did not even know his own name ! Soon Ray was winning . But the other boy filled the whole tower with water ! But Ray defeated that . In round 2 bladebreakers sent Tyson the other team sent someone named Gary . “ Listen Tyson . Gary’s bit beast gets angry when he does . So try to unknowingly attack . “” Noted “ Tyson said . The math begun . The match got over . Tyson won . Because ? Because Gary did not put his attention to the game ! Ha ! They were going to Finals ! In the finals Mariah and Lee would have to fight . The match was hard and long . But mariah won ! She was the world champion in beyblading !

Soon after, they spent time to upskill their tricks and play better. They also started a school to train kids who are interested in Beyblading. They decided to live in the real world forever.
