landed to Hawaii at 10:15 am. It was very warm in Hawaii. As soon as they landed, they picked their suitcases and went to the hotel using a cab.

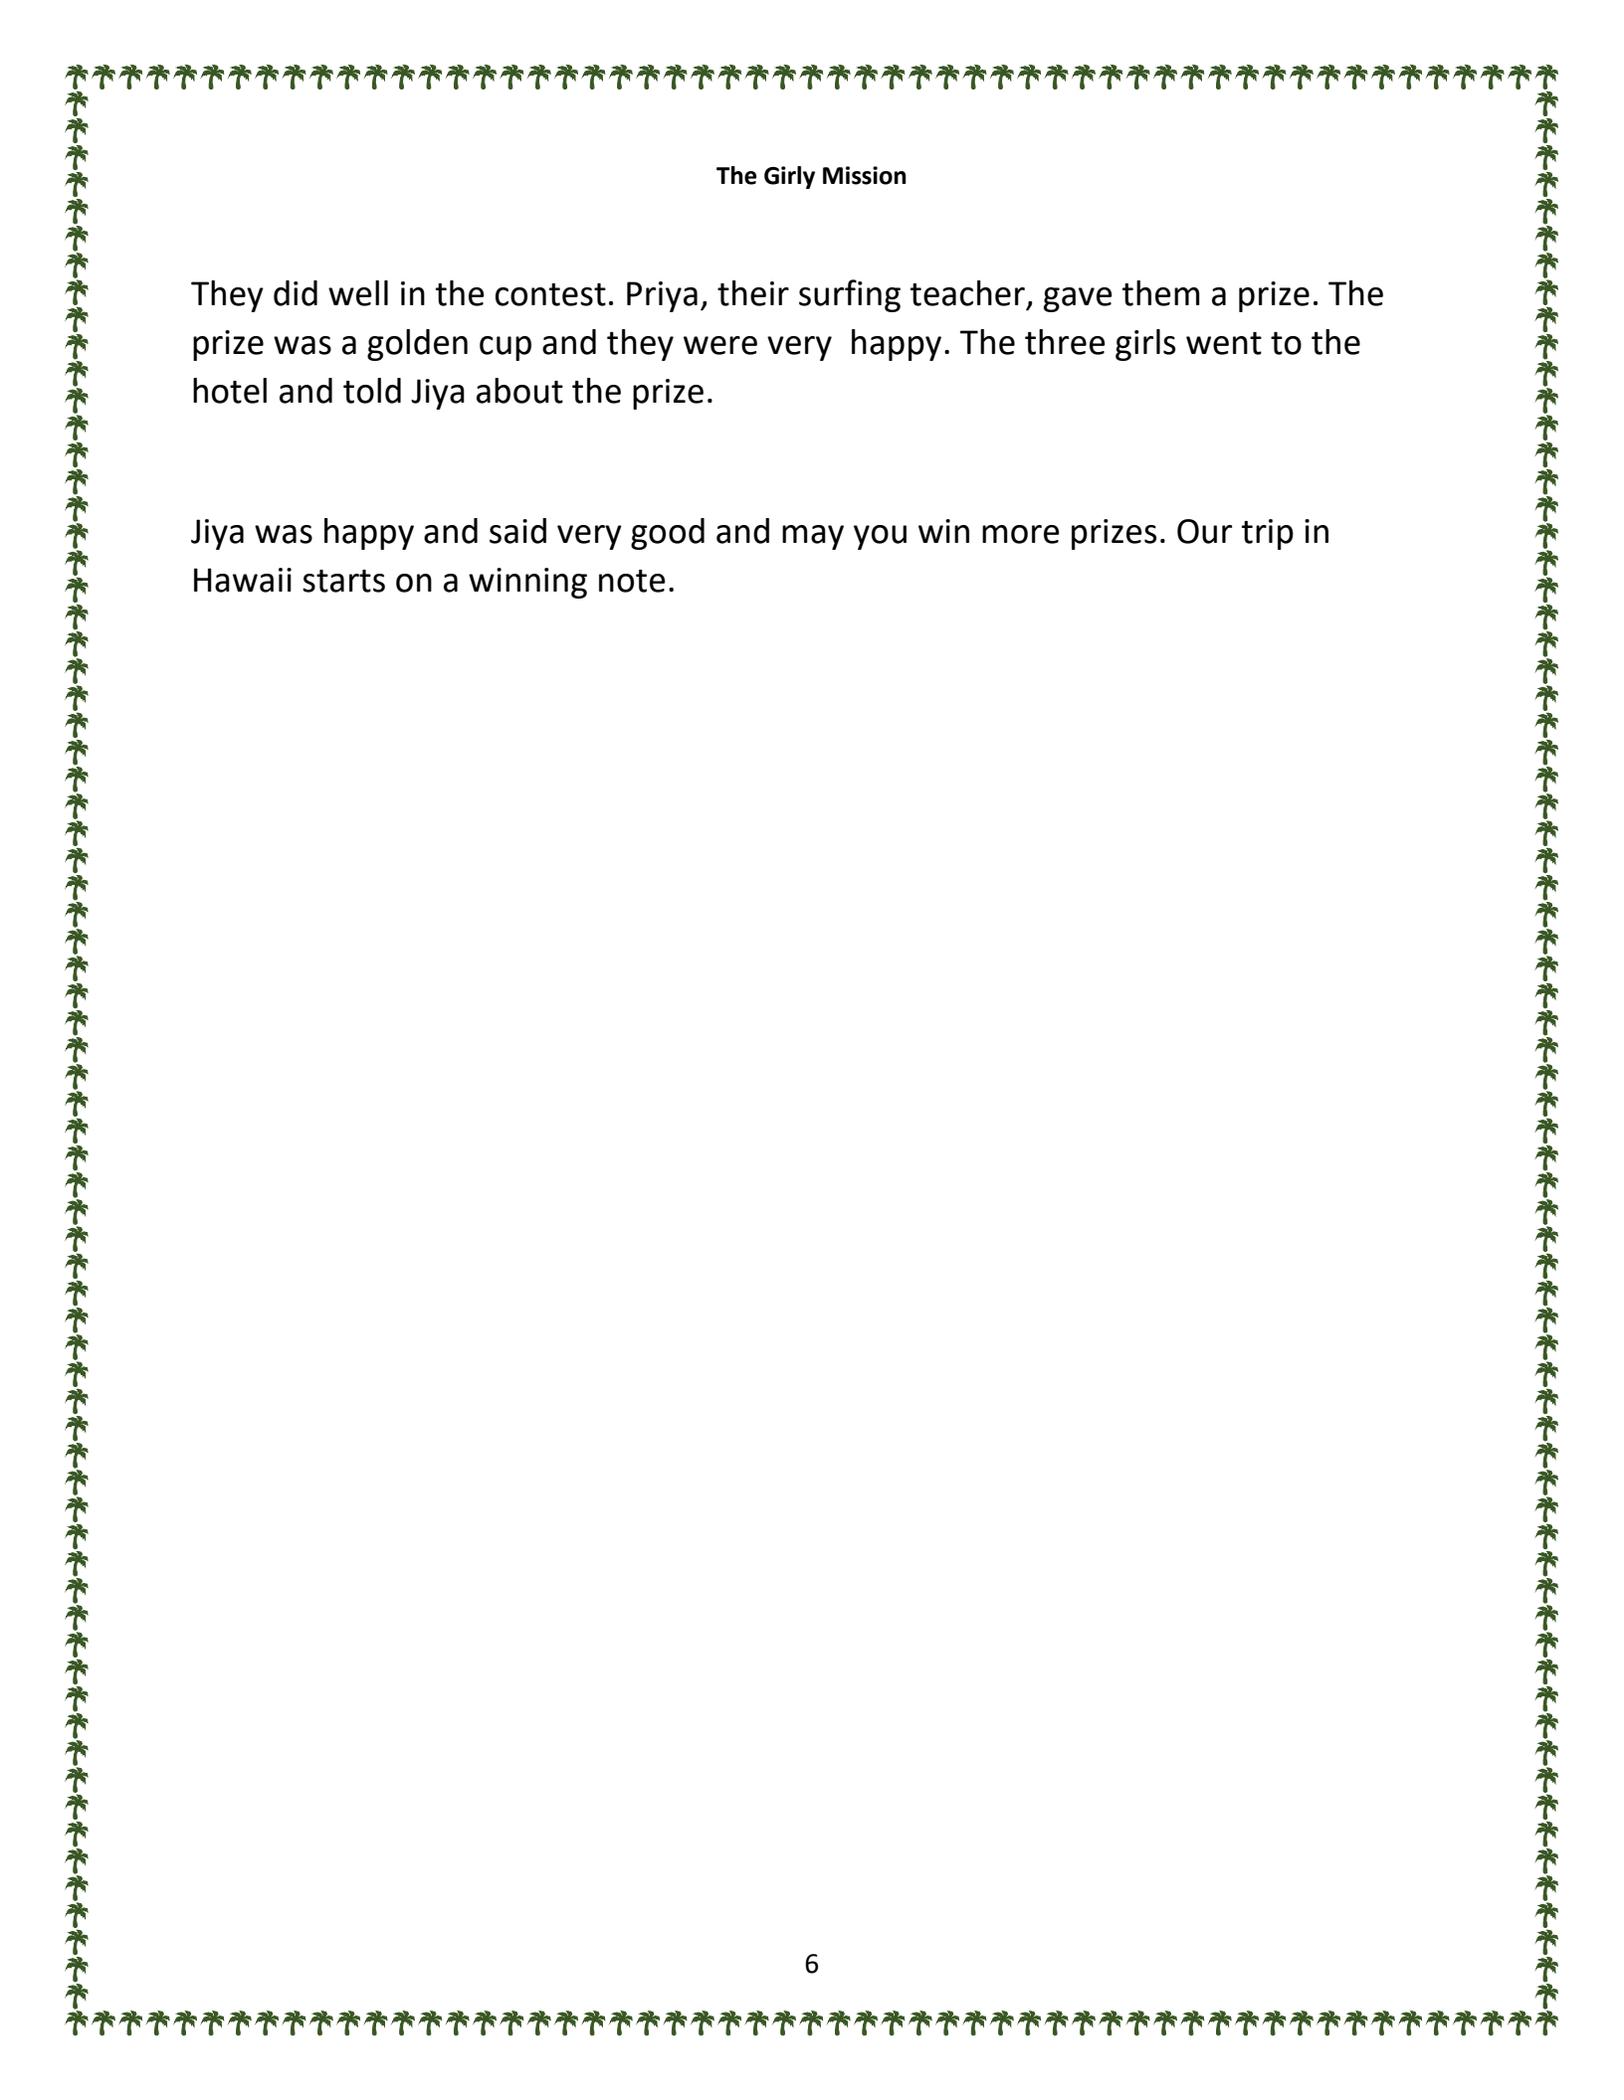

The name of the hotel was “Hawaiian Hotel”. It was golden in color, shiny and beautiful because of the shining sun. It was near the beach, it had delicious foods, many swimming pools, and a play area for the children to play. There were many coconut trees and when the wind blew the coconut trees swayed.

They planned to stay for ten days. The next day they had their breakfast and they would go visit the tourist attractions using a cab. They visited the volcanoes in Hawaii. The volcano looked rocky and inside there was lava. They felt hot when they came near the volcano. Lava was orange in color like boiling water.

They went to the beach to watch the sun setting and it was going to grow dark. They all returned back to the hotel. Next day morning Pinky, Mira and Dizzy are going to a surfing contest. Jiya was playing in the play area so she couldn't join the surfing contest. The surfing contest was in the Waikiki beach.

They asked the surfing board man for the surfboard for the contest. Pinky used green, Mira used orange and Dizzy used a blue surf board. Their swimsuits were the same color as their surf boards.

A decorative border of small palm tree icons surrounds the entire page. The border is composed of a single row of palm trees along the top and bottom edges, and two vertical columns of palm trees along the left and right edges.

It was a beautiful day, the sky was blue without clouds, it was warm, there was a cool breeze from the ocean. The ocean was blue and shiny like stars. The cliff was rocky and brown. They could see the shadow of whales swimming in the ocean.

The girls took backpacks and sticks to climb the cliff. They took swimsuits, food supplies, clothes, and water in their backpacks. They hiked almost an hour before reaching the top of the cliff. Jiya held on C.A.R.F. throughout the tiresome hike. They were tired when they reached the top of the cliff.

As they descended the cliff Jiya tripped on the rock and C.A.R.F. came out of her hands and started tumbling down the cliff and fell into the ocean. The girls screamed. "OH, no!" but it was too late and they could see C.A.R.F. in the ocean.

Chapter 4 - Surf time

The girls were shocked for a moment and speechless. C.A.R.F. was in the middle of the ocean and he was going to drown.

The girls started running down the cliff towards the beach. Jiya being the fastest runner was way ahead of the girls. She reached the beach in no time.

But there was a problem , they don't have surf boards. Jiya started looking for them. Some of the tourists who were there had surf boards. She went and requested the tourists. The tourists gave the surf boards to Jiya and helped her.

By this time, the other sisters were on the beach. Jiya gave each sister a surfboard. The three sisters dashed to the ocean to rescue C.A.R.F. Dizzy the fastest swimmer reached C.A.R.F. just in time. She took C.A.R.F. and gave it to Pinky. Pinky surfed back to the beach.
