PARENT
TEACHER MEETING
TERM 2

*Opening a two way communication for the
welfare of the child.*

At NPS, we believe that the collaboration between the parents and teachers is one of the key elements for student development in Early Years. Term 2 PTMs were conducted from 6th February to 25th February for the parents of Kindergarten, Montessori Freshers and Juniors. The Term 2 PTM for the parents of Montessori Seniors was held on 31st March 2023.

EARTH DAY

Earth Day was organized on 17th February 2023 for the Kindergarten 2 students wherein children came dressed in traditional attires from countries across the world. They enthusiastically shared information about the places of interest, culture and cuisine of their chosen country. This event and other activities organized in class helped children summarize and encapsulate their understanding of the topic 'Earth'.

ANIMAL WORLD

The final EVS topic for Kindergarten 1 was 'Animal World'. The Learning Center for the same was held on 29th March 2023. Fun filled activities like identifying cries of animals, sorting, art corner, working on puzzles, creating animals with play dough were some of the activities organized. Children loved working as team and learning from each other.

The last Learning Center for the KG2 students was on 'verbs'. Activities like dumb charades, complete the sentences, cut and paste, drawing, colouring, matching activities were organized at the various centers to help students build on their understanding of the concept of verbs.

Safety Starts With YOU!

In Montessori, activities were planned to bring awareness about safety norms to be followed in school, in homes, play area and on the road. The freshers collaboratively made a traffic signal using the paper crushing technique. The juniors worked well as a team to create a collage around fire safety. The seniors on the other hand wrote about safety precautions they would like to take and read it out to each other. Stories around safety were told to children.

Tots 'n' Tunes

After 2 years, the Early Years students were back on stage with their annual event 'Tots n' Tunes'. The theme 'Colours of Life' showcased the importance of family and relationships. The Kindergarten children dazzled everyone with their energetic and synchronized performances on 27th March 2023. The Montessori children spread their magic with their innocence and spontaneity as they put up their show on 28th March 2023. It was a cultural extravaganza that every child, parent and teacher will remember with fondness and joy. A befitting end to a year filled with emotions, action, tears, smiles, success, challenges and everything in between.

GRADUATION DAY!

The Early Years celebrated the graduation of the KG2 students and Montessori Seniors on 30th March 2023. Students were awarded certificates for their accomplishment as they were cheered along by their peers and teachers.

END OF YEAR PARTY!

Have a great
summer
Vacation!

*It's been a year like never before!!
We shared and we cared...
We played and we learned...
We ended the year with a class party to celebrate the
friendship and bonds created through 2022-23*
