# Gandhi Jayanti

The Montessori Seniors and the students of Kindergarten 2, honoured Bapuji by making posters on the occasion of Gandhi Jayanti. Each child created an unique poster and shared interesting facts around Gandhiji, the Charka, the Ahimsa movement, Satyagraha and the fight for India's freedom. This gave an insight into the values, sacrifices and struggles faced by the Father of our Nation.

# Green Day

The culmination of EVS topic 'Plants' was held on 8<sup>th</sup> October 2022. Children participated in varied child-friendly activities that sensitized them about Mother Earth and the need to protect and preserve nature.

Participating as a family was the added bonanza that made the event more memorable.

The Observation session by parents is an important event in the academic calendar at Montessori.

After having missed this for 2 years, the parents of the Seniors and Juniors finally got the opportunity to experience being a part of the Montessori environment. The observation sessions were conducted from 10th to 20th October 2022.

The parents were highly appreciative of the environment, and were particularly impressed by the independence demonstrated by all the children. The observation was followed by a feedback session in the afternoon.

## Class Observation

# Diwali

A Festival is a celebration of life that binds us together. Diwali, the festival of lights, is one of the popular festivals among children. Dressed in their ethnic best, the tiny tots of the Early Years brought the spirit of Diwali alive in school.

The celebrations included narration of the Diwali story followed by recital of songs about the festival. The children got together, painted and decorated diya's. They also used their creativity to make a Diwali poster using colour paper.

# Diwali

# Family Fiesta

The 1<sup>st</sup> year Kindergartners, along with their families participated in the online culmination event 'Family Fiesta' held on 28<sup>th</sup> October 2022. All activities were planned to strengthen family bonds and encourage participation as a family. The highlights included 'Popcorn eating', 'Song and Dance', 'Doodle with Noodles' and an 'On-the-spot Quiz'. The enthusiasm of children and their families was palpable and made the event a huge success.

# Humour In Campus!!

The KG2 class teacher was carrying a big pile of books and few books accidentally slipped out of her hands.

One of the students was keenly observing this, she came up to the teacher giggling and said, "Ma'am, I thought that only I was clumsy." Both the teacher and the child had a hearty laugh.

A Montessori Fresher saw a caterpillar on the wall near the playground. She squatted to watch it more closely. She observed the caterpillar closely and exclaimed, "I have hair only on my head but this caterpillar has hair on it's whole body".

*We will be back with our next edition in December...*
