# Parent Orientation

3rd June 2025

(Beginning the Journey, Together!)

We were delighted to welcome the Kindergarten 1 parents to the Parent Orientation session. The event began with a warm and thoughtful address by our Principal, Ms. Jyotsna Nair, who highlighted the importance of maintaining consistent daily routines and ensuring that children get adequate sleep—both vital for their overall development. What truly made the day special was the engaging and collaborative session that followed. Breaking away from the traditional format, we invited parents to participate in an interactive activity aimed at building stronger connections between families and the school community. It was heartening to witness the enthusiasm and energy with which our parents joined in, setting a positive and promising tone for the year ahead!

# KG1 Re-opening Day

5th June 2025

(A Joyful Beginning for Our Kindergarten 1 Stars)

Bright faces, curious eyes, and warm hugs marked the beginning of a beautiful journey for our Kindergarten 1 tiny tots. The classrooms came alive with songs, laughter, and cheerful chatter as the children explored their new environment, met their teachers, and began forming new friendships. The day saw a heartwarming transformation — worried looks turned into happy smiles as parents watched their little ones walk out confidently, hand in hand with their class teachers. With kindness, patience, and joy, we embark on this journey together, supporting every step our little learners take as they begin their school life.

# KG2

# Re-opening Day

11th June 2025

(Welcome Back, Kindergarten 2)

Our Kindergarten 2 students were welcomed with familiar faces, joyful smiles, and warm hugs as they returned after their summer break. It was heartwarming to see how quickly they settled back into their classrooms, reconnecting with friends and teachers with such ease and excitement. With confidence in their stride and curiosity in their eyes, they embraced the start of a new chapter—ready to explore fresh lessons, experiences, and adventures. Their enthusiasm has set a cheerful and positive tone for the year ahead, and we look forward to seeing them grow, learn, and shine.

# Celebrating World Music Day

20th June 2025

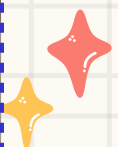

(A Symphony of Joy and Learning)

Music is a universal language—one that brings joy, creativity, and self-expression into a child's world. To celebrate World Music Day, our young learners joyfully immersed themselves in the magical world of rhythm and melody.

Through lively songs, expressive movements, and playful musical activities, the children experienced the joy of making music together. Along the way, they discovered how music helps us express emotions, enhances coordination, and strengthens memory.

It was a day filled with harmony, laughter, and the pure delight of shared musical moments—a beautiful reminder that music truly speaks to the heart!

# International Yoga Day

(Little Yogis in Action)

20th June 2025

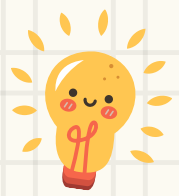

We celebrated International Yoga Day with great enthusiasm and energy! Our young learners turned into little yogis as they took part in a joyful, fun-filled yoga session specially designed just for them.

Exploring playful poses like Tree, Butterfly, Cat-Cow, and Mountain, the children stretched, balanced, and breathed their way through the session with bright smiles and cheerful hearts. Through movement, mindfulness, and moments of calm, our tiny tots experienced the true magic of yoga. It was a beautiful celebration of balance, focus, and inner peace—planting the seeds for healthy habits and happy minds!

# Field Trip to TISB

11th June 2025

(Exploring the World, One Step at a Time....)

The much-awaited Kindergarten Field Trip to TISB was a delightful day filled with fun, laughter, and lasting memories. Right from the cheerful bus ride, where children sang songs with excitement, the day was off to a joyful start.

On reaching the destination, the little ones enjoyed a delicious breakfast before exploring the beautiful green surroundings and vibrant play areas. They played freely under the open sky, soaking up the sunshine and sharing happy moments with their friends. From running around and laughing together to discovering the simple joys of nature, the children truly embraced the spirit of the day. It was heartwarming to see our kindergarteners bond with their peers, enjoy every moment, and create cherished memories in a setting full of joy and wonder.

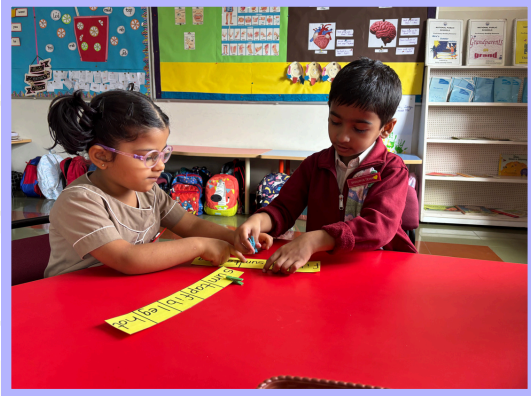

# KG2 Learning Center

(Exploring the World of Phonics!)

4th July 2025

ABCDEFGHIJKLMNOPQRSTUVWXYZ

Our KG2 students eagerly dove into their very first Learning Centre session, themed 'Phonic Words'—and the classroom was buzzing with excitement!

Children engaged in six interactive, hands-on activities, each thoughtfully designed to strengthen their phonics skills in fun and meaningful ways. Activities like 'Match Me Right', 'Let's Compose Words', 'Roll and Read', 'Fill in the Missing Letters', 'Read and Draw', and 'Peg the Word' offered rich opportunities for exploration and learning, catering to a variety of learning styles.

It was truly inspiring to see our young learners so immersed—blending sounds, building words, and most importantly, having fun as they developed essential early literacy skills!

# KG1 Learning Center

(Fine Motor Skills: Little Hands, Big Skills!)

4th July 2025

Our KG1 students participated in their very first Learning Centre session with great excitement and enthusiasm! The chosen theme, 'Fine Motor Skills,' aimed to enhance hand-eye coordination and strengthen finger muscles through a variety of fun, hands-on activities.

These engaging tasks not only supported physical development but also wove in important math and literacy concepts, fostering meaningful cross-curricular connections and deeper understanding. It was an absolute joy to watch our young learners explore, create, and discover—using their little fingers to make learning both playful and purposeful!

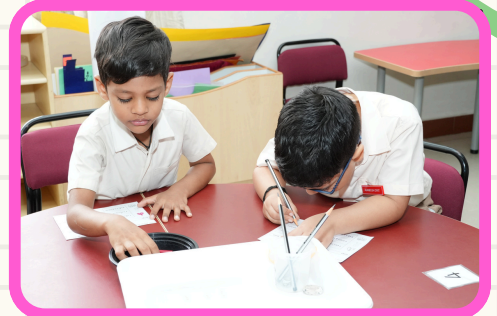

# KG2 Learning Center

(Myself' – A Special Day of Discovery and Joy!)

11th July 2025

Our KG2 children recently took part in an exciting Learning Center session centered around the theme 'Myself'. What made this experience even more special was the presence of our enthusiastic parents, who were invited to join in and witness the joy of interactive learning in action. The young learners engaged in a variety of hands-on, creative activities that encouraged both fun and concept-building. Highlights included a word puzzle, shaping body parts using play dough, constructing a human figure with different geometric shapes, and an enjoyable activity focused on personal hygiene. The session concluded with a heartwarming surprise — our little stars sang a special song for their parents, filling the room with smiles and pride. This memorable session beautifully blended creativity, learning, and parental involvement, making it a truly enriching experience for all.

# Independence Day Celebrations

(Celebrating Freedom, the Kindergarten Way!)

14th August 2025

The 79th Independence Day was celebrated with immense enthusiasm and patriotic fervor by our Early Learners. Dressed in vibrant tricolor-themed outfits, the little ones brought the spirit of the nation alive with their joyful presence.

The school auditorium echoed with the sound of patriotic songs as all the Early Learners gathered for a short yet heartwarming program. The children performed delightful dances—both to timeless classics and contemporary patriotic tunes—that stirred pride and emotion among students and teachers alike.

# Independence Day Celebrations

(Celebrating Freedom, the Kindergarten Way!)

14th August 2025

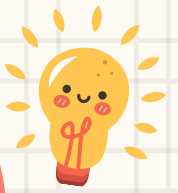

Adding to the festive spirit, themed art activities were organized, allowing children to express their love for the country through creativity. The celebration was a beautiful blend of learning, expression, and national pride, leaving lasting memories in young hearts.

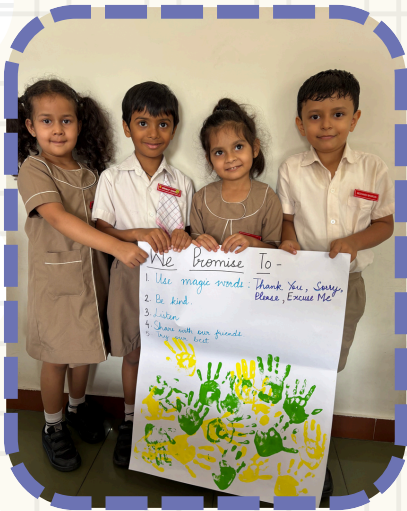

# Value-In-Focus Courtesy

June 2025

(Courtesy is kindness in action....)

At the heart of meaningful relationships and personal growth lies a strong value system. To nurture this in our young learners, we continue with our 'Value-In-Focus' initiative, where each month, children explore and practice a core value. For the month of June, our focus was on COURTESY. Through engaging stories, thoughtful discussions, and daily interactions, children discovered the power of kindness, politeness, and respect.

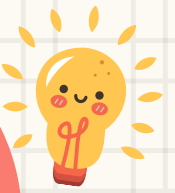

It was truly heartwarming to witness courtesy in action—not just spoken, but demonstrated through their everyday behavior. Our classrooms came alive with gentle words, kind gestures, and respectful interactions, as children brought this beautiful value to life.

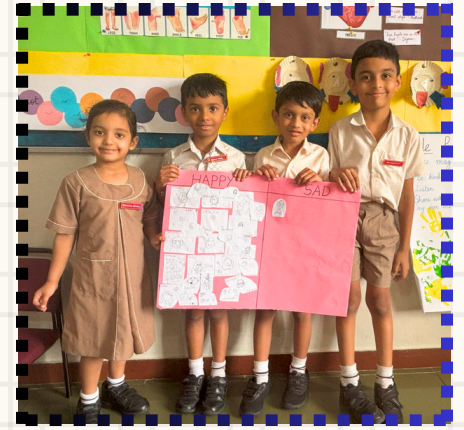

# Value-In-Focus Empathy

July 2025

(See with your eyes, listen with your heart!)

Through engaging stories, thoughtful discussions, and imaginative role-play, the children learned what it means to understand and share the feelings of others. They discovered that simple actions—like listening carefully, offering a helping hand, or saying a kind word—can make a big difference in someone's day.

Our teachers supported this learning by modeling caring behaviors and encouraging gentle, respectful conversations. These daily practices helped the children strengthen their friendships and build a more compassionate classroom community.

# Term 1 PTMs

(Partners in Every Little Step!)

23rd - 31st July 2025

The Term 1 Parent-Teacher Meetings provided a valuable opportunity for meaningful connection and collaboration.

During these sessions, teachers shared thoughtful insights into each child's academic progress, social interactions, and emotional well-being. They also offered personalized suggestions to support every child's continued growth, both in and out of the classroom.

Parents were encouraged to share their perspectives, ask questions, and express any concerns, fostering a strong partnership built on trust and open communication.

This collaborative approach reflects our ongoing commitment to each child's holistic development—laying a strong foundation for their future learning and success.

# Humour In-Campus

(Where Giggles Grow Every Day!)

While singing the numbers song, a KG1 child asked the teacher, "Why does every school have different songs when the numbers are the same?"

The teacher was explaining the functions of lungs. A KG2 child raised his hand and said, "so, the lungs help us take out all the dirty air from our body; just like washing machine takes out the dirt from our clothes "

A KG1 child asked the teacher, "Why don't I and my elder sister go home together? Ma'am, can you inform her teachers that she has a younger brother."
