

FROM THE CHAIRMAN'S DESK

NATIONAL PUBLIC SCHOOL, KORAMANGALA AN OVERVIEW OF THE ACADEMIC YEAR 2025-26

Dear Parents,

We are delighted to convey our warm wishes to every member of the NPS family. As we draw this enriching and eventful academic year at NPS Koramangala to a close, we look back with pride on the milestones and accomplishments of 2025–26. In this communication, we are pleased to present a snapshot of the year gone by, along with key dates and important information for the forthcoming academic session.

Beyond achievements and accolades, a school year is a tapestry of moments—of curiosity awakened, talents discovered, and character shaped. Within the vibrant corridors of NPS Koramangala, our students have gained not only academic knowledge but also essential life skills such as critical thinking, collaboration, resilience, and empathy. Through classroom learning, experiments, performances, sports, competitions, and community initiatives, they have grown in confidence and purpose, learning as much from challenges as from successes. Guided by dedicated educators and supported by a strong parent community, they continue to develop intellectually, emotionally, socially, and spiritually—an enduring reflection of what meaningful schooling strives to nurture.

We hope that through our sustained collaboration, we will continue to Reach Out, Reach High, and Reach Beyond, in the true spirit of our motto and vision.

School Achievements:

Our students have distinguished themselves across academic and co-scholastic domains, consistently bringing honour to the school. We sincerely appreciate our parent community for their steadfast support and enthusiastic participation in the various initiatives undertaken throughout the year.

CBSE Board Examination Results 2024–25:

Our students have once again showcased outstanding results in the CBSE Board Examinations. Presented below is the list of Grade 10 and Grade 12 toppers for the academic year 2024–25.

 - secured 2nd place (U-10) at the Chess Fusion All India FIDE Rated Tournament.
 - secured 3rd place at the Global Star Rapid Chess Tournament.

Professional Skills Building:

Our in-house TISB Training Academy (TTA), which works towards the professional development of our Senior Leadership team and Teachers is the initiative of our Vice Chairperson, Dr Bindu Hari, to enhance and upskill our school team, keeping us ahead in teaching practices, classroom

management and professionalism at the workplace. The team has continued their yeoman service this year too, offering in-person and online courses that have greatly benefitted the teachers from Early Years to Senior School.

Sports Challenge:

‘Esprit de Corps’, another initiative in sports and the outdoors by Dr Bindu Hari, has enjoyed wonderful success in its second year running, bringing a happy spirit of sportsmanship and camaraderie. The enthusiastic participation of students in a variety of sports from all our NPS Group of Institutions and NAFL, fosters a rare, collective spirit that binds our teams together.

Summer Vacation:

With reference to the dates for our summer vacation, kindly note the schedule below.

Grade	Last Working Day
Montessori	Tuesday, 31 st March 2026
KG 1 and KG 2	Tuesday, 31 st March 2026
Grades 1 to 8	Tuesday, 31 st March 2026
New Grade 10	Thursday, 9 th April 2026
New Grade 12	Thursday, 9 th April 2026

Kindly note the detailed schedule of re-opening of school, after the summer vacation.

Grade	Re-opening Date
Grades 9 to 12	Monday, 25 th May 2026
Grades 1 to 8	Wednesday, 3 rd June 2026
KG 1	Thursday, 4 th June 2026
Montessori (Freshers)	Friday, 5 th June 2026
KG 2	Wednesday, 10 th June 2026
Montessori (Juniors and Seniors)	Thursday, 11 th June 2026

(These dates are subject to change based on Government notifications at that time.)

Books Issue:

On the request of the parents, the school has made arrangement for the availability of books and materials from different agencies at school. These will be distributed to the students, to avoid any academic delay. The prescribed cost and schedule of issue of books will be notified to you separately.

Application for Transfer Certificate:

We have a lot of applications, both from India and overseas, for admission to NPS Koramangala. It would be appreciated if parents who plan to withdraw their wards from the school for the next academic year could inform us of the same, **latest by 20th March 2026.**

School Fees:

As school policy, we do not collect any donations or capitation fee. National Public School is a private self-financing institution, and an annual fee increase of 7.5% to 10% is effective to offset all the increasing expenditure.

We are sure that parents are aware that an escalation in the fee is due to various components like staff salary, government increase in property taxes, increased water and electricity charges, infrastructure maintenance and material expenditure, laboratory, computers and AMCs upkeep, etc. The Annual Fees for the academic year 2026-27 may please be remitted **from Friday, 20 March 2026 to Wednesday, 8 April 2026**, through our Acadamis parent portal. It will be presumed that students who do not remit the fees by the due date will not be continuing in the school for the next academic year.

Plans for Academic Year 2026-2027:

We look forward to the next academic year and its exciting growth plans. We will build new opportunities for our students, keeping in mind transformations envisaged in the future of the job industry. We continue to promote critical thinking and research through the introduction of STEM Labs in our schools in addition to Interdisciplinary Project- Based Learning Tasks etc. We are happy to introduce AI based evaluation and feedback for Senior school students with a view to provide individualized assessment feedback and improvement plans to promote in-depth concept driven, application based, higher order learning amongst students. We will also guide and encourage our Senior School students to undertake courses through MOOCs (Massive Open Online Courses) and obtain Tech Certifications in areas like data analysis (e.g., Google Analytics), digital marketing, etc., to give them an edge for college admissions and open doors to higher learning opportunities.

We hope our students use all the support and guidance provided to excel in every way. We wish you and your wards a wonderful summer vacation!

Warm regards

DR K P GOPALKRISHNA
Chairman, NPS Group of Institutions, NAFL and TISB
