Value in
Focus

Responsibility

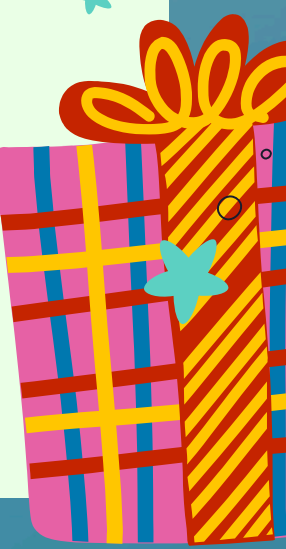

In the Montessori classroom, children are capable of taking on meaningful responsibility. Through age-appropriate tasks such as caring for materials, tidying workspaces, and helping peers, children develop independence, confidence, and respect for their environment. Guided by teachers and supported by a well-prepared classroom, responsibility becomes a natural part of daily work, helping children feel capable, valued, and connected to their community.

In addition, as the value in focus was Responsibility, children were given age-appropriate opportunities such as being assigned specific classroom chores. Some children took on the responsibility of teaching drawing, writing, and reading to their peers. The children also created a Responsibility Tree, where each leaf displayed a note describing the responsibility they had undertaken. This activity fostered a strong sense of responsibility, teamwork, reflection, and pride in their contributions.

Children's Day

Children's Day was celebrated with great joy and excitement, honoring the happiness, innocence, and wonder of childhood. Children dressed in colourful party clothes, had a day filled with fun activities, games, delightful performances by teachers, and a magical show that kept the children enthralled. Laughter, music, and games created unforgettable moments. Each child went home with beautiful memories and a heartfelt 'Happy Note' from their teachers, making the celebration truly special.

Tots N Tunes 2025, themed EKYAM – United in Harmony, was a delightful celebration of the five elements of nature—Earth, Water, Fire, Air, and Space—brought to life by our young learners through songs, dances, expressions, and a colourful fashion show. The program began with a soulful choir performance and continued with vibrant presentations that filled the auditorium with joy, energy, and imagination.

Our Principal, Ms. Jyotsna Nair, appreciated the children's confidence, innocence and poise on stage. She took the opportunity to reiterate the importance of language development, multilingual exposure, and a gadget-free environment. The event was truly a heartwarming celebration of creativity, learning, and togetherness.

Merry Christmas

The true magic of a Christmas carnival is found in the smiles we share and the hearts we warm."

True to the above quote, our Montessori children celebrated Christmas with a joyful Christmas Carnival. The school was filled with colour, music, and excitement as the children enjoyed a fun-filled festive day. They enthusiastically participated in games and captured joyful memories at the photo booth.

The highlight of the celebration was a surprise visit from Santa Claus, who wished each child a Merry Christmas and handed out little treats. A befitting end to the year 2025 which was all about forming friendships, learning and growing!!

Merry Christmas

Thank You

As we celebrate the joy of Christmas and welcome the New Year, we wish all our children and families a season filled with love, peace, and togetherness. May this festive time bring happiness, joy, and renewed hope, and may the coming year be filled with learning, growth, and joyful discoveries.

Merry Christmas and Happy New Year! ✨🎄
