Edition I

Welcome to the very first edition of the Montessori Newsletter 'Intouch'!! We're thrilled to begin this journey with you. The newsletter is designed to give you a peek into our little world here at NPS, Koramangala. We will keep you in-touch with the learning, the fun elements and the milestones we reach through the year.

The Early Years are a magical time full of curiosity, creativity, and growth. As our children take these early steps into the world of school, we're here to walk alongside you—celebrating successes, sharing stories, and building a strong foundation for the future.

Thank you for trusting us with this important chapter in your child's life. We can't wait to share the happenings in school with you.

Happy Reading...

my 1ST
DAY of
SCHOOL
6th June 2025

Freshers

The first day for our Montessori Freshers began with warmth, wonder, and quiet excitement. Our little learners were welcomed with calm smiles and gentle guidance, helping them transition smoothly into their environments.

The staggered timings provided a calm and unhurried start, allowing each child to settle in at their own pace and grow comfortable in the new routine. This thoughtful approach set the tone for a nurturing and respectful learning space.

Our Juniors and Seniors were back in school and had a happy reunion with their teachers and friends. As the year unfolds, we embrace the journey ahead - one filled with discovery, confidence, and joyful learning. We look forward to supporting and celebrating each child as they explore, grow, and flourish in the Montessori way.

12th June 2025

FULL ATTENDANCE 2024-25

Congratulations to **Ishianvi Ameya Shetty** and **K R Ramachandra** on having 100% attendance in 2024-25! We acknowledge the commitment from both the parents and students in being able to achieve this at such a young age - well done!

Yoga Day

On 20th June, 2025, the Early Learners celebrated International Yoga Day with great enthusiasm and joy. With eager hearts and playful energy, the children stretched, bent, and balanced their way through a delightful journey of mindfulness and movement. Under the gentle guidance of their teachers, they explored simple yoga postures and breathing exercises, helping them connect with their bodies and find moments of calm.

Later, the celebrations continued as the Audio-Visual Room came alive with the sounds of melody and laughter during our World Music Day celebration. The atmosphere was electric with rhythm and emotion as the children joyfully discovered the magic of swaras. Their faces lit up with wonder as they experienced music not just as sound, but as a feeling that unites and uplifts. It was a truly enriching day — one that reminded us that both yoga and music are powerful tools for expression, balance, and joy.

Music Day

COLOUR DAY

Montessori buzzed with excitement on Monday, 1st July 2025, as Colour Day was celebrated with the vibrant theme, 'Primary Colours'. Children arrived dressed in bold reds, sunny yellows, and deep blues, bringing the day to life with a splash of colour and joy. The celebration unfolded as a delightful journey of sensorial exploration. Children enthusiastically mixed colours to create dazzling new shades, sorted objects by colour, and engaged in a variety of hands-on activities that sparked creativity and curiosity.

One of the highlights of the day was the enchanting tale of the Rainbow Sambar, a story that blended colours and flavours in a fun, imaginative way – much to the delight of the little ones.

Show And Tell

For their very first Show and Tell, our Montessori Seniors enthusiastically embraced the fun, insightful, and explorative theme — “Nature: What You Find in a Park or Garden.” With bright eyes and eager hands, the children brought in a charming assortment of nature’s treasures — leaves, flowers, twigs, seeds, pebbles, and more. Each child had the opportunity to present their chosen item, confidently sharing personal observations, curious thoughts, and delightful stories from their outdoor adventures.

This experience not only encouraged expressive language and confidence but also deepened their appreciation for the natural world. We are truly proud of our little nature explorers — discovering, wondering, and growing with every step!

Value-In-Focus **GRATITUDE**

"Gratitude is not just saying thank you- it's feeling it inside and sharing it with others."- Anonymous

Values are the bedrock on which strong, empathetic individuals are built. At our core, we are committed to nurturing these values in our children through joyful, reflective, and age-appropriate activities.

Gratitude was the heartwarming value we embraced and nurtured throughout the months of June and July. From our enthusiastic freshers to our thoughtful seniors, every child was encouraged to recognize and express thankfulness in creative and meaningful ways.

Our youngest learners learned the power of saying "Thank you" through a lively, action-packed song—clapping their hands, tapping their feet, and singing along with joy. For the juniors, gratitude took the form of a colorful and engaging Wheel of Thankfulness. Each spin invited them to reflect on everyday blessings like family, food, and home. Seniors participated in a reflective circle time activity, Toss the Ball. As the ball moved from one child to another, so did thoughtful prompts like "What made you smile today?" and "Who are you thankful for?" These questions sparked honest conversations and deepened the connections within the group.

FIELD TRIP TISB

On 16th July 2025, our Montessori children had a delightful and enriching experience during their field trip to The International School Bangalore (TISB). The day was filled with excitement as the children engaged in a variety of play activities, spent time at the sandpit, and explored the outdoor play area.

Laughter and energy filled the air as they moved freely, discovering new spaces and enjoying meaningful interactions with their peers. A highlight of the day was sharing a delicious lunch together in the cafeteria — a novel and memorable experience for many of the children.

They returned home with joyful hearts, wide smiles, and cherished memories of a truly special day.

FIELD TRIP TISB

Early Years Independence Day

The 79th Independence Day was celebrated with immense enthusiasm and patriotic fervor by our Early Learners. Dressed in vibrant tricolor-themed outfits, the little ones brought the spirit of the nation alive with their joyful presence.

The school auditorium echoed with the sound of patriotic songs as all the Early Learners gathered for a short yet heartwarming program. The children performed delightful dances—both to timeless classics and contemporary patriotic tunes—that stirred pride and emotion among students and teachers alike.

Adding to the festive spirit, themed art activities were organized, allowing children to express their love for the country through creativity. The celebration was a beautiful blend of learning, expression, and national pride, leaving lasting memories in young hearts!

Early Years Independence Day

PARENT ORIENTATION

On 3rd June, the parents of Montessori Freshers were warmly invited for an engaging orientation program. Our Principal, Ms. Jyotsna Nair, emphasized the importance of establishing a consistent daily routine, crucial for the holistic development of young learners. One of the most enriching parts of the event was the interactive group discussions, thoughtfully facilitated by our Montessori teachers. These sessions explored a variety of important parenting topics and key aspects of early childhood education, providing parents with valuable insights and practical takeaways.

The event concluded with a strong sense of shared purpose—an ongoing commitment to work together in nurturing and supporting the growth and success of every child in our community.

PARENT TEACHER MEETING

The Parent-Teacher Meetings (PTMs) held in June-July served as meaningful platform to strengthen the vital home-school partnership. These thoughtfully planned sessions offer a space for open communication, where teachers and parents come together to share developmental insights, celebrate progress, and discuss ways to support each child's unique learning journey.

By working along side each other, we continue to create a nurturing environment that honours each child's pace, personality, and potential.

"OUR DAILY DOSE OF GIGGLES!"

Laughter is one of our favorite sounds in school! Children in their innocence say things that makes us smile. Our children win our hearts every single day. Here is a sampling of it to brighten your day too...

A fresher was colouring a picture of the rabbit. He completed his task in a jiffy. The teacher saw that the child had coloured only the hair with just 2-3 strokes. When teacher asked why he had coloured only a tiny part of bunny, the child grinned and said, "Ma'am, the bunny is sweating."

Towards the end of the day, the teacher asked all children to sit for circle time activity. She asked children to sit in chinmudra and close their eyes. With a twinkle in his eyes, one child asked the teacher, "Ma'am, should I close one eye or both my eyes?"

One day when the teacher had taken the Juniors on a nature walk, she pointed to the 'pin wheel' flower and asked the children, "Have you seen this pin wheel flower anywhere?" One child immediately answered "Yes ma'am, I have seen it given for Govinda Govinda".
