Kindergarten Newsletter

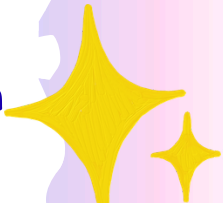

WELCOME

From the Kindergarten Team

Our Kindergarten classrooms are filled with joyful laughter, curious minds, and little hands eagerly exploring the world around them. The first 2 months of the academic year have been a wonderful journey of settling in, building friendships, and discovering the joy of learning through play.

Our young learners have embraced new routines with growing confidence, participated enthusiastically in engaging classroom activities, and begun laying a strong foundation in literacy, numeracy, creativity, and life skills. Every day has been an opportunity to nurture curiosity, encourage independence, and celebrate each child's unique achievements.

This edition of our newsletter captures some of the memorable moments, exciting activities, and meaningful learning experiences that have made the beginning of the school year so special. We hope these glimpses into your child's Kindergarten journey brings a smile to your face.

Happy Reading!

KG1 Parent Orientation

4th April 2026

Beginning the Journey, Together....

In true NPSK style, the new academic year began much before we received our students in school. It all began on 4th April with the Kindergarten 1 Parent Orientation - marking the beginning of a wonderful partnership between home and school. It was a meaningful opportunity for parents to meet the teaching team, understand the Kindergarten programme, and gain insights into the exciting learning journey that awaits their little ones.

Our Principal, Mrs. Jyotsna Nair, set the tone for the session by sharing valuable insights on the importance of healthy daily routines and adequate sleep in supporting a child's overall growth and development.

The orientation featured an engaging and interactive discussion on key aspects of early childhood, including managing separation anxiety, nurturing a love for reading, understanding parenting styles, and supporting language and speech development.

The true highlight of the session was witnessing our parent community come together to connect, collaborate, and actively participate in the discussions. We look forward to a year of strong partnerships and shared success.

KG2 Parent Orientation

13th June 2026

Partners in Progress....

Our KG2 Parent Orientation brought families together for an engaging and enriching start to the academic year. Designed as an interactive experience, the session invited parents to step into the shoes of their little learners while strengthening the partnership between home and school. Parents explored key aspects of early childhood development through hands-on activities and meaningful discussions.

Topics such as
'learning through
play, emotional
regulation, screen
time balance,
involving children in
daily chores,
understanding
bullying, and parent-
teacher partnership'
offered practical
insights and sparked
thoughtful
conversations
amongst parents.

The energy in the rooms was palpable as parents
laughed, shared their own experiences, built
connections and gathered valuable tools for the
journey ahead.

KG1 First Day at School

4th June 2026

Tiny Steps; Big Beginnings...

Our KG1 learners embarked on a beautiful new chapter as they stepped into school for the very first time. As they walked through the NPS campus and into their classrooms, their faces reflected a delightful mix of curiosity, wonder, and a few nervous butterflies. Before long, those first-day jitters gave way to bright smiles and joyful laughter

The day came alive with cheerful songs, engaging games, and warm welcomes from their teachers, helping our little learners forge new friendships and feel right at home. Filled with laughter, joy, and gentle encouragement, it was the perfect beginning to their exciting learning journey.

KG2 Re-opening Day

10th June 2026

Welcome Back.....

Happy reunions with friends, warm greetings from teachers, and lively classroom conversations filled the campus with excitement as our KG2 children stepped into the next phase of their Kindergarten journey.

With hearts full of joy and minds eager to learn, our little stars are all set for a wonderful year of fun, friendship, and learning!

Consistency is the key...
100% attendance unlocked!

Congratulations to:

- **Taneesha Puneet Kittur**
- **K R Ramachandra**
- **Ishanvi Shetty**

World Music Day

22nd June 2026

A hands-on Musical Adventure

World Music Day was celebrated with great enthusiasm by our Kindergarteners embarking on an exciting journey into the magical world of music. Our little learners explored a variety of musical instruments, including the keyboard, guitar, flute, tambourine, and conga, enjoying the opportunity to touch, hold, and play each one. As they experimented with different sounds and rhythms, the room echoed with laughter, curiosity, and joyful melodies.

International Yoga Day

22nd June 2026

Breathe.... Balance.... Bloom....

Our kindergarteners took a wonderful step towards wellness as they explored the magic of yoga! The session started with a fun introduction to how yoga helps us stay strong, focused, and calm.

Magic Breathing:
Learning how deep breaths give us instant calm and focus.

Playful Poses: Practicing simple, impactful yoga poses that are easy to practice at home every day!

Finding the Balance:
Blending joyful, energetic movements with sweet, peaceful moments of quiet reflection.

Mindful Making: Turning quiet focus into vibrant art.

Health Week

27th to 31st July 2026

Fit, Fed & Fabulous!

The Health Week for our Kindergarteners was packed with engaging activities and daily balanced snack themes to promote physical and mental well-being.

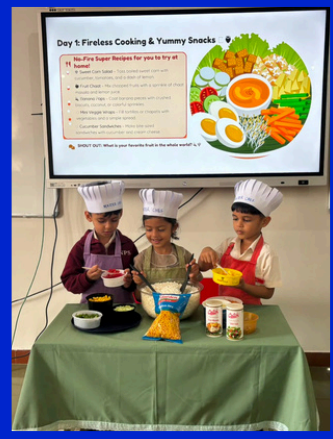

The fun kicked off on 'Mindful Monday' as our mini master chefs whipped up delicious snacks during a hands-on fireless cooking session.

On 'Twist n' Twirl Tuesday', the little ones rocked matching white tees and track pants, busting out their best moves in an energetic dance fitness session.

'Wellness Wednesday' featured a first aid workshop conducted by our school nurse, Ms. Deeksha, equipping children with simple yet essential life-saving skills and basic safety awareness.

On 'Thoughtful Thursday', children enjoyed an engaging hygiene awareness session led by our guest speaker Dr. Sealeesha Menon; leaving everyone with brighter smiles, happy hearts, and valuable lessons they can carry every day.

Finally, 'Feel-Good Friday' brought the week to a delightful close as children proudly brought their favourite healthy snacks, shared why they enjoyed them and expressed their creativity through an engaging 'Healthy Hands at Work' activity.

Independence Day

The spirit of Desh Bhakti filled every corner of NPS as our Kindergarten students came together to celebrate Independence Day with joy and pride.

Our little ones looked adorable in pristine white attire, proudly wearing badges of Indian symbols.

The young speakers reminded us how simple everyday actions can make our nation cleaner and brighter.

Some children dressed up as legendary freedom fighters to pay tribute to our national heroes.

The day was packed with heart-warming performances — from uplifting songs and energetic dances to inspiring speeches on India's journey to freedom.

It was truly a memorable day — filled with smiles, pride, and heartfelt celebration — leaving everyone inspired by the innocence and enthusiasm of our youngest citizens.

VALUE Courtesy

(Small acts of courtesy, big impacts on community)

Value Talk

Moral stories

Acts of Kindness

VALUE Respect

(Listening with love, speaking with care)

Respect: Wait, Share, Shine

Respect Nature

Respect: Listen, Learn, Love

Respect: Eating with Gratitude

"Wisdom Wrapped in Giggles"

During snack break, the teacher told a child to start eating snacks. The child then went to the other teacher in class and said, "Arrey...Ma'am, I've already finished eating, but that ma'am is telling me to start eating!"

During a conversation on classroom expectations, a child said, "Ma'am, boys will never sit in one place and girls will never stop talking..."

While teaching 'good and bad habits', the teacher asked the children in class, "What is the first thing you do in the morning?" A child immediately answered, "Write the date on the board."
